By becoming a member I understand that I am obliged to comply with the reasonable standard of behavior as prescribed by the DTG.
I accept that I must make every effort to return the venue to the "as we found it" or better condition. In other words I will tidy up and clean up after my self, and others when required to do so.
I will treat all DTG property and the property of others with respect at all times and will report to a senior member any abuse or breaking of club rules by others.
I am also willing to help out by performing duties for the club during DTG playing times when asked to do so by others. This may take the form of simply taking out the rubbish etc.

As we are a small community of gamers we depend on the hard work of members for the long term sustainability of the DTG. This hard work comes in the form of the voluntary contributions of ALL of the DTG's members.
